

Annex B – Team Values

2015 — 2020

“From whom the whole body, joined and held together by every joint with which it is equipped, when each part is working properly, makes the body grow so that it builds itself up in love.”
Ephesians 4:16 ESV

One of our Guiding Principles reminds us to “value the people who work with us [by working] collegially for the good of the organisation and each other.”

These values express how we as staff, Board and volunteers would like to be treated and how we commit to treating each other, so that ALWS is a place where we all want to work.

GRACE: abounding, accepting, caring, patient, understanding, forgiving, letting go

RESPECT: mutual, genuine, gracious, grateful, honouring, acknowledging, delivering on requests

EXPRESSION: listening, open, honest, clear, active, inclusive communication

AWARENESS: of self and of others, to learn, and to find a balance in what we do

TEAMWORK: co-operative, complementary, purposeful, trusting, accountable
