

# Walk My Way

## Walkers' email #1

Dear Friend,

I hope you know how wonderful you are!

Wanting to help refugee children go to school is an amazing thing.

Wanting to help by setting yourself a 26km walking challenge is even more amazing.

Asking your friends and family to sponsor you to do this is the most amazing thing of all – thank you!

I know it might seem like a scary thing to ask people for money.

As a fundraiser whose job it is to ask for donations, I find it helpful to remember these 3 things:

1. I'm asking on behalf of those who can't, to help them change their lives.
2. It brings your friends and family so much joy being able to give and help others.
3. It's not about me 😊

You can share your fundraising page via email, text, Facebook or any other social media you use. You could even tell people about it face to face! Why not send out your link now?

I'll be in touch over the coming months to keep you updated on everything you need to know about the Walk. In the meantime, please feel free to get in touch with me anytime for advice, encouragement, or support. I'm here to help!

Looking forward to walking this journey with you!

Kirra, on behalf of the Walk My Way team
