

*Walk My Way*  
Walkers' email #5

Hi Friend,

Sorry for my second email in as many days...

...but I HAD to let you know about the fabulous challenge from the Concordia College *Walk My Way* team:

If your whole school team (of 5 or more participants) beats them down the hill in *Walk My Way*, they'll come and supply a **whole school sausage sizzle at lunchtime with all proceeds to *Walk My Way*!**

How great is this! Huge thanks to Concordia College for their incredibly generous offer to help refugee children.

If you're a teacher, get your skates (walking shoes) on, and [register your school's team now!](#)

Already got a team from your school? Make sure it's got at least 5 members, and start training!

Mmm.... I can smell that Sausage Sizzle of Success already!
