

## *Walk My Way* Walkers' email #6

Here are 13 things you need to know before you Walk:

1. You. Are. Amazing. **2,707 refugee children to school and counting!**
2. You're part of a team of **335 Walkers** which is growing by the hour. I've just had to order 100 more Bratwurst for breakfast!
3. If you are taking the bus from Brock Reserve, **please arrive BEFORE 7.30am**, as the bus will leave promptly for Hahndorf at 7.30am. (If you're starting at Bridgewater, Stirling or Eagle on the Hill, you can find bus times [here](#)).
4. If you are taking the bus from Brock Reserve back up to Hahndorf after the Walk, **there will be buses at 3pm, 3.30pm, 4pm, and 5.15pm** – so don't worry if it's taking you a little longer to walk!

5. It's not too late to **ask family & friends to sponsor you**. Simply share your fundraising page - let's help as many kids as we can!
6. If you'd like to **share the experience** with your friends or family who can't be in Adelaide, they can still be part of the Opening Ceremony through [this link](#) (it can be viewed 'live' or viewed later). We'd love to have them (virtually) there!
7. Make sure **you and your family and friends** like us on Facebook, as we'll be posting updates throughout the day, including photos and live video.
8. If you're looking for a local **Palm Sunday service** to go to the next day, check out [this list](#) on the SA/NT website (halfway down on right).
9. Check out all the **past emails** I've sent [here](#). Please make sure to read these if you've registered recently or haven't been receiving my emails.
10. If you still have questions, you can find **everything you need to know** [here](#), including a map of the trail and other Walk information.
11. If you're **still feeling a bit unsure** and just want to check something, please call or email me.
12. This one is **very important: have fun!** The Walk is just beautiful.
13. Because of wonderful people like you, pre-school kids in Kenya and Djibouti will have Teachers, Textbooks and Tables – and a chance to walk a different path.  
**Thank you!**
