

Is the gloom of COVID 'getting on your goat'?

COVID has kept us too far apart, for too long, from those we care about. That's why this year's ALWS Gifts of Grace aims to help you shine a light of hope through the darkness (Isaiah 58:10).

Choose from a farmyard of animals. Vegetable seeds to harvest store. Stove to maize sheller. More than 20 gifts, starting at just \$5. Each with their own new Grace Card!

PLUS, every Gifts of Grace is fully tax-deductible!

PLUS, you can do all your Christmas shopping at home.

PLUS, first 500 orders receive a shine tote bag, inspired by a Burundi handicraft group.
